Sir/

Enclosed I send you a sketch which you were so good as to draw for me when I was in Rome last April, as a Monument for my father & Mother. The design I have no doubt you will remember; it is my father & Mother being united in the next world - I now write to request that it may be executed. - And as I believe it is usual that half the price should be paid at the commencement of the work, if you will have the goodness
