

Dear Mr Hamilton

45 Shortly after you called upon me one of my family became very unwell which occupied my thoughts a good deal, but he being now perfectly well. I have remembered you wish to possess an Autograph of Thorwaldsen. If you should shortly receive one from Norway or Denmark I sh^d. be very glad indeed to have the enclosed back for it is rather an effort to me to part with it. Mr. Knudtzon suggested the asking his friend to give a receipt & we stood by him in his studio while he wrote it. In case, by

any chance, your Friend who is
collecting may meet with poor
Lord Stuart & ask him about the
statue I mention that the Purchaser
was my Husband Sir Michael Shaw
Stewart, & that the "Amorino" is at
Ardgowan, Greenock where I wish
you w^d. Come & see it.

Believe me

y^r. very truly

M^{rs} Shaw Stewart
